Minnesota Office of Justice Programs

Victim Service Provider Directory Sorted by Judicial District

ABOUT THE DIRECTORY

The Directory of Crime Victim Service Programs in Minnesota is a listing of government and non-profit organizations that serve victims of crime. It is not intended to be an exhaustive list of all victim service programs in the state. Organizations listed receive funding from a variety of sources and may or may not receive funding from the Office of Justice Programs (OJP). Inclusion of an organization in the directory does not imply that OJP endorses its programs or policies while exclusion does not imply that OJP disapproves of its programs or policies.

The Directory is sorted by **judicial district**, then alphabetized by organization.

SEARCH TIP: Ctrl-F is a Windows keyboard shortcut to bring up the Find window. In the Find Window enter a keyword to search for in the document.
