To obtain a Caterer's Permit, applicant must currently hold a valid retail on-sale intoxicating liquor license at a restaurant. All liquor laws and rules apply to both the on-sale license as well as this caterer's permit. Liquor liability and workers compensation insurance are mandatory and a certificate showing off premises coverage must accompany this application for a caterer's permit. Cancellation or suspension of the on-sale license invalidates the caterer's permit also. You, as the licensee, are required to notify the city police chief or county sheriff (if located outside city limits) before any catered events take place in their jurisdiction. Only the licensee holding the caterer's permit shall provide food and liquor at catered events. A pre-license inspection will be conducted by this office prior to caterer's permit approval.
