

Pursuit Report

Minnesota Statutes §626.5532

This form is used to report any pursuit by a peace officer of a fleeing suspect in a motor vehicle as outlined in Minnesota Statutes § 626.5532.

Within 30 days of the pursuit incident, the Chief Law Enforcement Officer (CLEO) for an agency must submit a completed form to the Minnesota Bureau of Criminal Apprehension. *This submission must occur through the Supplemental Reporting System (SRS).*

Each agency participating in the pursuit must have one representative of their agency complete a Pursuit Report.

Report only one incident/case number per form.

Terms and definitions

Assisting Agency – Law enforcement agency vehicles that aided the initiating agency in the pursuit.

Charge - The name of each offense and the corresponding number of each statute or ordinance that the person is accused of violating, as shown on the citation, tab charge, complaint, or indictment.

Flee – Min. Stat. § 609.487, subdivision 1. “For purposes of this section, the term flee means to increase speed, extinguish motor vehicle headlights or taillights, refuse to stop the vehicle, or use other means with intent to attempt to elude a peace officer following a signal given by any peace officer to the driver of a motor vehicle.”

Initiating Agency – The first agency involved in pursuing the violator.

Miles Covered in Pursuit – Enter the length of pursuit in distance. Do not add together each officer’s total for pursuits that involve multiple officers at your agency. Included example: Three officers at your agency, each in their own squad car, participate in a pursuit. Each officer covered 10 miles during the pursuit. The correct total to enter in Miles Covered in Pursuit is 10.

Minnesota Statutes § 626.5532, Pursuit of Fleeing Suspects by Peace Officers.

Subdivision 1. Reports. If a peace officer pursues a fleeing suspect, the officer’s department head must file a notice of the incident with the commissioner of public safety within 30 days following the pursuit. A pursuit must be reported under this section if it is a pursuit by a peace officer of a motor vehicle being operated in violation of section 609.487. The notice must contain information concerning the reason for and circumstances surrounding the pursuit, including the alleged offense, the length of the pursuit in distance and time, the outcome of the pursuit, any charges filed against the suspect as a result of the pursuit, injuries and property damage resulting from the pursuit, and other information deemed relevant by the commissioner.

Motor Vehicle – Min. Stat. § 609.487, subdivision 2a: “For purposes of this section, ‘motor vehicle’ has the meaning given it in section 169.011, subdivision 42, and includes a snowmobile, as defined in section 84.81, off-road recreational vehicles as defined in section 169A.03, subdivision 16, and motorboats as defined in section 169A.03, subdivision 13.”

Peace Officer – Min. Stat. § 609.487, subdivision 2: “For purposes of this section, ‘peace officer’ means:

(1) an employee of a political subdivision of state law enforcement agency who is licensed by the Minnesota Board of Peace Officer Standards and Training, charged with the prevention and detection of crime and the enforcement of the general criminal laws of the state and who has the full power of arrest, and shall also include the Minnesota State Patrol and Minnesota conservation officers;

(2) an employee of a law enforcement agency of a federally recognized tribe, as defined in United States Code, title 25, section 450b(e), who is licensed by the Minnesota Board of Peace Officer Standards and Training; or

(3) member of a duly organized state, county, or municipal law enforcement unit of another state charged with the duty to prevent and detect crime and generally enforce criminal laws, and granted full powers of arrest.”

Pursuit Agency ORI – ORI of the agency on whose behalf the form is submitted. This agency could have either initiated or assisted in the pursuit of the vehicle(s).

Time Pursuit Started and Ended – Report utilizing military time. Enter only the amount of time the actual pursuit of the vehicle lasted for your agency. If your agency has multiple officers involved in the pursuit do not add each officer’s time together.
