Motor Vehicle Administrators

Minnesota Motor Vehicle Registration Compliance Working Group

Registration Compliance and Alternative Infrastructure Programs

Presented by Marcy Coleman

September 18, 2024

OUR VISION

Safe drivers

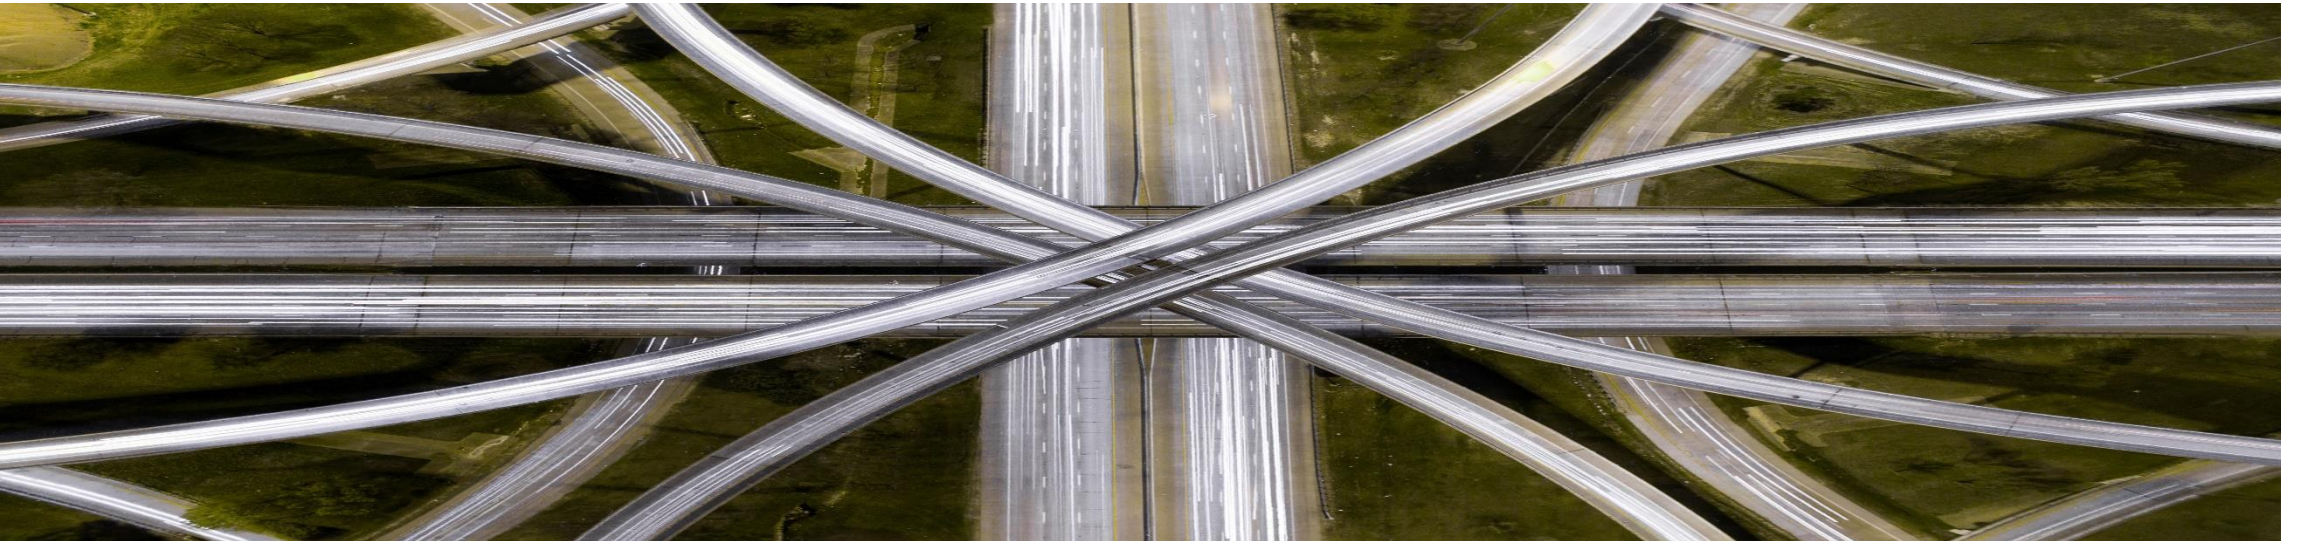

Safe vehicles

Secure identities

Saving lives!

Goals

- AAMVA
- Infrastructure Funding Problems
- Vehicle Registration Renewal Compliance Efforts
- Alternative Infrastructure Funding Programs

Search Engine for DMVs

- Subject Matter Experts
- IT Systems
- Conferences
- Policies, Best Practices, Standards
- We are not a regulatory body
 - AAMVA can't mandate adherence

Sources of Funding for Infrastructure

- Gas Tax – EVs, Increased Fuel Efficiency, Hybrid vehicles
- Vehicle Sales Tax/Excise Tax – Compliance
- Vehicle Registration/Renewal Fees

Avoiding Requirements

- Insurance Verification – Uninsured Vehicles on the roads
- Safety/Emissions Inspections – Unsafe Vehicles on the road
- Avoidance of Excise/Property Tax

Enforcement is the Key

- Law Enforcement is the key
- Tickets/Towing/Court Appearances are the best methods of enforcing compliance.
- NY and NV conduct sweeps targeted at fake temp plates, suspended and expired registrations.

Other Programs

- Social Media Educational Campaigns
- Public Media – NV LE Efforts, NY Compliance Media Blast
- Report your Neighbor – AZ
- Late Renewal Fees – HI, KS, KY, MT, SC
- LE Hot Sheets/ALPR

Financial Consequences Work

Creative Solution

Tie Active Registration to a benefit

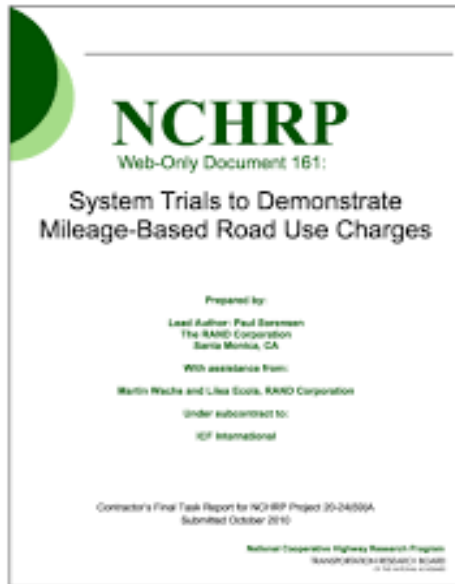

- Municipal Parking Passes
- University/College Parking Passes
- Beach/Park Passes

Registration by Weight – 20 years ago

Registration Surcharges – EV, Hybrid, Highly Fuel-Efficient Vehicles

RUC/MBUF – Numerous state pilots, federal pilot TBD
