Driver and Vehicle Services Data Request

You are being asked to give your name for this data request to ensure the accuracy of any response to your request. Your name, as a data requester, is public data. You are also being asked to provide your date of birth and/or driver's license number, email address and/or street address, which are private data. You are asked to give your date of birth and/or driver's license number to properly identify you for your request and to ensure accuracy of the response. You are asked to provide your email address and/or street address to return your data to you. You are not required to give your date of birth and/or driver's license number, email address and/or street address. However, if you do not provide your date of birth and/or driver's license number, email address and/or street address, DVS may have insufficient information to provide data responsive to your request. Your date of birth and/or driver's license number, email address and/or street address will be shared with Driver and Vehicle Services staff as necessary to provide a response to your request.
