Autism Spectrum and/or Mental Health Indicator Request Form

Tennessen Warning

What is the purpose and intended use of supplying this information?

- The information you provide on the form requires DVS to place an autism and/or mental health indicator on your card as required by Minn. Stat. § 171.07. The indicator will be printed on the front of the card with a designated letter for each indicator. The indicate will inform law enforcement that you requested the indicator(s) on your card.

Am I required to provide the requested information?

- You are not legally required to complete this form. You do not have to provide any documentation to add a mental health or autism spectrum identifier to your card.

What will happen if I do not provide the requested information?

- If you do not provide the requested information, DPS cannot issue your credential with an autism and/ or mental health indicator.

Who will have access to information about an autism and/ or mental health indicator on my credential?

- DVS may disclose personal information when it relates to the operation or use of a vehicle or to public safety. The use of personal information relates to public safety if it concerns the physical safety or security of drivers, vehicles, pedestrians or property. The personal information you provided is classified by 18 U.S.C. § 2721 and the Minnesota Government Data Practices Act, Minn. Stat. § 171.12 and is subject to disclosure in accordance with these laws.

Other Questions

How do I get this placed on my record?

- In order to add one or both of these indicators you must complete a new application and DVS must take a new photo with submission of this form.

How do I remove this from my record?

- You must complete a new application and submit this form to remove indicators from your card.

What happens if I already have front facing indicators but want to add these too?

- All of the indicators will still be on your record, but due to spacing limitations, if you have more than six all of the indicators you have chosen may not be visible on the front of your card, but will still be on your DVS record.
