## Tennessen Notice

### **What is the purpose of supplying additional information? How will the information be used?**

The purpose of supplying this information to Driver and Vehicle Services (DVS) is to add an autism spectrum and/or mental health indicator to your driver's license or identification card pursuant to Minnesota Statutes, section 171.07, subdivision 6a and Minnesota Statutes, section 171.07, subdivision 6b.

DVS will add emergency contact(s) information and/or people you are the caretaker for to your DVS record. Law enforcement agencies will be able to see this information and reach out to individuals in the event you are involved in an emergency. DVS may collect and make this information available to law enforcement agencies upon request by the applicant pursuant to Minnesota Statutes, section 171.12, subdivision 5b and/or Minnesota Statutes, section 171.12, subdivision 5c.

### **Am I required to provide this information?**

No. You are not required to provide this information to DVS.

### **What will happen if I do not provide this information?**

If you do not provide the requested information:

- DVS will not issue your credential with an autism and/or mental health indicator.
- If you do not provide emergency contact or caretaker information, DVS will not add emergency and/or people you are a caretaker for to your DVS record.

### **Who will have access to this information?**

Your autism and/or mental health indicator(s) will be printed on your driver license or identification card and the indicator can be seen by anyone who views your card. Additionally, the indicator may be viewed by DVS staff who have legal access to the DVS database, individuals who issue driver's license or identification cards, and law enforcement agencies.

Your emergency contact/caretaker information will only be accessible to law enforcement agencies to notify the individual(s) listed in your record regarding an emergency. See Minnesota Statutes, section 171.12, subdivision 5b(c) and/or Minnesota Statutes, section 171.12, subdivision 5c(c).
