

An International Registration Plan (IRP) and an International Fuel Tax Agreement (IFTA) account must be closed at the same time, unless the **IFTA** account is being closed due to leasing with someone whom will display their **IFTA** credentials and file the quarterly fuel reports.

To close an **IFTA** account with this exemption:

- An **IFTA** application must be completed to file the exemption
- A surrender of the **IFTA** license and decals must be completed
- Payment of all outstanding tax liabilities must be received and
- You will need to submit a copy of the lease agreement
