**YOUR DRIVER'S LICENSE OR ID WILL EXPIRE ON MARCH 31, 2021**

Dear [First Last Name]:

The expiration date of your driver's license or identification card was extended during the COVID-19 emergency order (Chapter 71, 2020 Minnesota Session Law, and Regular Session).

Your driver's license or identification card will now **expire on March 31, 2021**. The cost to renew is **<\$xx.xx>**.

- **Renew Online.** You can renew your standard class D license or identification card online if you are not changing your name, address or license number. Visit the DPS-DVS website [drive.mn.gov](http://drive.mn.gov) to renew online.
- **Renew In Person.** To obtain a REAL ID, Enhanced Driver's License or ID, or to change your name, address or license number, you will need to visit a licensing office.

Please note that many offices require an appointment. Visit [dvs.dps.mn.gov](http://dvs.dps.mn.gov) then click on "locations" to find an office near you and for information about appointments.

For faster service, please pre-apply online at [drive.mn.gov](http://drive.mn.gov) before visiting a licensing office. Pre-applying saves time at the counter and ensures you have the required documents to complete the application at your local office.

Some DPS-DVS regional exam stations will be open on Saturdays starting Feb. 20 through March 27 to process applications. For locations and hours visit [drive.mn.gov](http://drive.mn.gov) and click on "news" and select COVID-19 FAQs.

- If you have a valid, unexpired U.S. passport you do not need a REAL ID. You may use your unexpired U.S. passport to access federal facilities or board a domestic aircraft. For help deciding which credential is right for you or for more information visit [drive.mn.gov](http://drive.mn.gov).
