Permanent Exempt Rules Governing Ignition Interlock Device Program

## Adopted Exempt Rules Relating to Ignition Interlock Device Program (IIDP) Revocation Periods; Suspension; Termination; Rehabilitation; Limited Licenses; and Repealing Minnesota Rules, part 7503.0800, subpart 2

**Summary:** The proposed amendments to the Ignition Interlock Device Program (IIDP) rules merely update statutory references, or clarify rule language; the changes will not alter the sense, meaning or effect of the existing rules. The Department amended the rules pursuant to its grant of rulemaking authority under the exempt rulemaking process, of the Administrative Procedure Act, noted in Minnesota Statutes §14.386. The proposed changes are necessary for the Department to administer revocation periods; program suspension, revocation or disqualification of driving privileges; and to clarify and provide consistency, in rule language as it applies to the pertinent statutes.

**Amendments to Rules Relating to Ignition Interlock Device Program, Minnesota Rules, Parts 7503.0800, 7503.1000, 7503.1675, 7503.1725, 7503.1800 and repealing 7503.0800, subpart 2.** The Department filed the proposed exempt rules and the Proposed Order Adopting Rules with Office of Administrative Hearing (OAH) on February 25, 2014, for legal review. The Department made modifications to remedy defects and re-filed the rules with the OAH on June 4, 2014. The OAH approved the rules as to legality on June 11, 2014. The rules received a final review and certification from the Office of the Revisor of Statutes on July 21, 2014.

The OAH further reviewed the amended rules for legality on July 31, 2014, and filed the approved rules with the Secretary of State, on August 4, 2014.

Public Safety Commissioner Ramona Dohman signed the Order Adopting the Permanent Exempt Rules amending the IIDP, on August 8, 2014. The rules are available for review on the Public Notice section of the Department of Public Safety website. The Commissioners Order and the adopted rules are published in the Monday, August 18, 2014 *State Register*, and become effective upon publication.
