

Post-Hearing Comments of Mr. Jim Woodruff
Motorcycle Road Guard Submitted to the Office of Administrative Hearings

Hello Judge Lipman,

Thank you for the time you are taking to sort through the Motorcycle Road Guard issue. I will be submitting some items to the address you gave out at the hearing in December. I wanted to share with you a link to our website. At the lower part of the page, there is a 4 minute video that essentially captures what Tribute To The Troops is all about. Please take a few minutes and view this video. I think it will show the intent of our mission. It will also give you a glimpse of what most MN non-profit charities that conduct motorcycle rides do. Please don't hesitate to contact me if you have any questions or concerns.

I believe the effort to legalize road guarding in MN is a good one. With some adjustments, namely the insurance issue and the flagging equipment among just a few, this can be a good thing for all of us.

Thank you for your time.

Best Regards,

Jim.
