This curriculum identifies the required coursework for the EM Director/Deputy Director/Practitioner Qualifications Program effective January 31, 2016. When a student has completed all the required independent study courses and any FEMA direct delivery courses they must download a transcript from FEMA and upload it into the HSEM Learning Management System. **Students are responsible for tracking the status of classes completed and notify HSEM when all coursework for certification is completed.** These courses are intended for people currently working in emergency management.
