

Advanced Roadside Impaired Driving Enforcement (ARIDE) Online Training Course Access Instructions

- Go to <https://tsi-dot.csod.com/client/tsi-dot/default.aspx> to register.

The screenshot shows the login page for the Transportation Safety Institute. At the top, it displays the United States Department of Transportation logo and the text: "OFFICE OF THE ASSISTANT SECRETARY FOR RESEARCH AND TECHNOLOGY Transportation Safety Institute". Below this is a welcome message: "Welcome to the USDOT's Transportation Safety Institute Learning Management System. Our continuing mission is to develop and provide world-class safety, security, and environmental training, products, and/or services for both public and private sectors." The login section includes a "Login" header, a "Username:" field, a "Password:" field, a "Forgot Username / Password?" link, and a "LOGIN" button with a right-pointing arrow. Below the login fields is a "Need Help?" section with the email "Please email: TSI@dot.gov". At the bottom, there is a registration prompt: "Not registered yet? Select a division to begin registration." followed by a "Select Division" dropdown menu. A red arrow points from the registration prompt to the "LOGIN" button, and another red arrow points from the "LOGIN" button to the registration prompt. To the right of the login form is a photograph of a multi-lane highway with several cars and a bus driving on it.

- Search the course catalog.

The navigation bar consists of four colored square buttons with white icons and text below them. From left to right: a blue button with a magnifying glass icon labeled "Search Catalog"; a green button with a calendar icon labeled "Calendar"; a red button with a document and checkmark icon labeled "Transcript"; and an orange button with an envelope icon labeled "Contact Us". A red arrow points from the left towards the "Search Catalog" button.

ARIDE Online Training

Curriculum | Transportation Safety Institute e-Learning

The ARIDE course is intended to bridge the gap between the Standardized Field Sobriety Testing (SFST) program and the Drug Evaluation and Classification (DEC) program by providing officers with enhanced knowledge related to drug impairment and by promoting the use of Drug Recognition Experts (DRE) in states that have the DEC Program. For Frequent...
