

**Current VAWA Funded Grantees
Minnesota Office of Justice Programs
FY13-14**

Two-year Law Enforcement and Prosecution Project Grantees:

- *Advocates for Family Peace* – \$121,805 – to institutionalize and expand the initial work of the Range Danger Team by developing policies and strategies for implementing evidence-based risk/danger assessments of domestic violence cases in Northern St. Louis County.
- *Alexandra House* - \$21,550 – to organize 3 trainings for criminal justice systems partners on domestic violence and sexual assault, specifically geared toward system change strategies.
- *Central Minnesota Sexual Assault Center* - \$120,000 – to develop a community based SANE program working out of the St. Cloud Hospital's Emergency Trauma Center.
- *City of Brooklyn Park Police Dept.* - \$72,298 – to create a Family Violence Unit as part of their Domestic Violence Reduction Project.
- *City of Minneapolis Attorney's Office* - \$123,726 – for an after-hours, on-call domestic violence response team including an investigator and advocates from Casa de Esperanza, Asian Women United and Domestic Abuse Project.
- *Cornerstone Advocacy Services* - \$216,039 – to implement "The Blueprint for Safety Expansion and Enhancement Project for Suburban Hennepin County" involving Brooklyn Center, Brooklyn Park, Crystal, Maple Grove and Robbinsdale, as well as the Hennepin County Attorney's Office, Sheriff's Office, and Adult Probation.
- *MN Coalition Against Sexual Assault* - \$204,025 – to conduct an institutional analysis of the Hastings Police Department's sexual assault investigations and case file documentation. The findings will impact the work of Sexual Assault Multi-disciplinary Action Teams (SMART) around the state.
- *Program for Aid to Victims of Sexual Assault* - \$218,386 – to expand the SANE program to the hospitals in Lake and Carlton Counties as part of a SANE Regional Consortium, and implement an anonymous reporting model.
- *Sojourner Project* - \$30,888 – for a Safety Assessment Model project with the Hopkins and Minnetonka police departments using the Blueprint for Safety and assistance from Praxis.
- *Safe Avenues* - \$102,371 – to create a SANE project team and implement a SANE program at Rice Memorial Hospital in Willmar.
- *St. Paul Domestic Abuse Intervention Project* – (amount to be determined) – to analyze the Blueprint for Safety implementation thus far and the effectiveness of the implemented policies and practices. Project includes a train-the-trainer process for each component of the Blueprint and the development of a *Framework to Become a Blueprint Community* document.

Court Project Grantee:

State Court Administrator's Office (SCAO) - \$100,000 – for a Point of Contact position within the SCAO to coordinate domestic violence and sexual assault related policy and training efforts.
