Intensive Comprehensive Peace Officer Education and Training (ICPOET) Grant Program

Intensive Comprehensive Peace Officer Education and Training (ICPOET) grant program is intended to address the critical shortage of peace officers in the state by providing grants to law enforcement agencies that have developed a plan to recruit, educate, and train highly qualified two-and four-year college graduates to become license-eligible peace officers in the state. Law enforcement agencies may apply for reimbursement grants up to \$50,000 per eligible candidate for the cost of educating, training, and paying an eligible peace officer candidate until the candidate is licensed by the board as a peace officer. The candidate will attend a Minnesota State Colleges and Universities-designated cohort at either Hennepin Technical College or Alexandria Technical and Community College to receive the Professional Peace Officer Education (PPOE) objectives as required by the Minnesota Peace Officer Standards & Training (POST) Board.
