

DEPARTMENT OF PUBLIC SAFETY, OFFICE OF JUSTICE PROGRAMS

## 2014 Byrne Justice Assistance Justice and Mental Health Grants

**Overview:** The Justice and Mental Health grants seek to improve public safety by strengthening collaborative efforts between criminal justice and mental health services to better serve justice system involved youth and adults. The intent of this funding is to help system-involved individuals manage their mental illness and address their criminogenic needs.

**2014 Byrne Justice Assistance Grants:** 11 grants were awarded for 2014-2015 funding totaling \$3,037,177. Awards ranged from \$200,000 to \$300,000.
