

DEPARTMENT OF PUBLIC SAFETY, OFFICE OF JUSTICE PROGRAMS
Juvenile Justice and Delinquency Prevention Grants,
Title II 2020

Overview: Title II funds are authorized under the federal Juvenile Justice and Delinquency Prevention Act and allocated to each state. They are awarded and monitored by a state advisory group, the Juvenile Justice Advisory Committee (JJAC). The target population is youth under the age of 18 (and their families), who have had contact with the juvenile justice system or who are at risk of having contact with the juvenile justice system. The goal is to prevent or divert youth involvement in the juvenile justice system and to eliminate or minimize disproportionate minority contact.

Organization	Program
Beltrami Area Service Collaborative	Reduces minority contact with judicial and school disciplinary systems with early intervention.
Center for Multicultural Mediation	CMM program prevents and reduces Somali youth from the criminal justice system in Hennepin County.
EMERGE Community Development	A youth-led leadership program centered on older youth delivering prevention services to younger youth.
HIRED	Hired serves girls on probation in Ramsey County.
Legal Rights Center	Advocacy and pilots for establishing restorative justice programming options at all juvenile justice system decision points.
Minnesota Association of County Probation Officers	Decision Points Facilitator Training for juvenile probation agents.
Restorative Justice Community Action	Listen, Learn, Lead program features roundtable discussions with youth of color in all ten Minnesota judicial districts focused on learning how to improve the juvenile justice system and reduce ethnic and racial disparities.
Tubman	Tubman's Youth Community Advocacy Program serves at-risk or justice-involved youth ages 10-17.
White Earth Reservation Tribal Council	This program supports a Trauma Court Case Manager and youth activities aimed at reducing racial disparities in area justice systems.
Youthprise	This project supports a Racial Equity Specialist who is tasked with: (1) collecting and analyzing data on ethnic and racial disparities, (2) taking inventory of interventions and developing plans for new interventions, (3) measuring outcomes.
