

## Gene Leatherman

### MMIR Office Advisory Council Member

Gene Leatherman has a vast history of experience advocating for Minnesotans. He is currently an investigator with the Ramsey County Attorney's Office.

Leatherman is also a retired senior special agent of the Minnesota Department of Public Safety's Bureau of Criminal Apprehension. In that role, he worked on homicide and death investigations as well as cases of missing and abducted children.

Leatherman has had a lifelong interest of Native culture and has been a lifelong student of Native American history.
