

## Jacqueline Beaulieu

### MMIR Office Advisory Council Member

My name is Jacqueline Beaulieu and I am a descendant of the Leech Lake Band of Ojibwe. I graduated from the University of California Berkeley in 1996, with a B.A. in Economics and a minor in Native American Studies. I graduated from the University of Minnesota Law School in 1999.

I have worked in the Twin Cities Native community for twenty years doing work involving the Indian Child Welfare Act, since 2018 with the Hennepin County Attorney's Office as an Assistant County Attorney in the child protection division and previously representing parents at the ICWA Law Center from 2003-2018.

I am interested in the work of the MMIR office as, unfortunately, there is a huge overlap of clients in the child protection system and those who become missing or murdered.

I am very honored to be a part of the Advisory Council for the MMIR Office and I look forward to the good work that is to come.
