2021 Multicultural Adult Driver Education Pilot

Minnesota Department of Public Safety (DPS) / Office of Traffic Safety (OTS)

Project Overview

The Minnesota Department of Public Safety (DPS), through its Office of Traffic Safety (OTS), seeks to award a grant to a 501C3 qualified non-profit or governmental entity to implement a pilot program to provide driver education for multicultural community members age 18 or older with the objective of reducing crashes, injuries and deaths involving multicultural drivers. Activities may be implemented in a specific city, county, or region. Grant funds may be used to enhance initiatives that are currently available to this demographic, but cannot be used to duplicate or increase participation of existing initiatives.

Applicant organizations must have experience with driver traffic safety, community outreach and driver education.

A maximum of \$12,500 is available for this pilot project.

The grant cycle will run from October 1, 2020 –September 30, 2021.

The OTS provides grant funds from the National Highway Traffic Safety Administration (NHTSA), a division of the federal Department of Transportation.

Project Background

General

The mission of the Office of Traffic Safety is to lead efforts to prevent traffic deaths and serious injuries by changing human behavior in Minnesota. To maintain and improve the safety of the traveling public, the DPS works with governmental organizations and the private sector to identify and mitigate traffic problems. Certain programs implemented to fulfill this mission are funded by the National Highway Traffic Safety Administration (NHTSA) through the Office of Traffic Safety. The OTS and the NHTSA are most concerned with traffic safety interventions that have been proven to reduce deaths and serious injuries caused by motor vehicle crashes. All applications must include measurable goals. Measurable goals may include the number of activities that will be conducted and the anticipated number of participants in the activities.

Example Grant Activities

The following are examples of possible grant activities.

Implement community-based driver safety education classes for members of at least two different cultural communities.

At a minimum, classes must include:

- Pre and post-class quizzes to evaluate changes in participant knowledge
- Instruction permits and driver licenses
- Meaning of various road signs, markings, traffic lights, intersections, roundabouts, j-turns, etc.
- Right-of-way laws
- Emergency vehicles
- School bus safety
- Seat belts
- Hands free law, distractions
- Speed limits
- Following distances
- Weather and road conditions

- Work zones
- Law enforcement traffic stops
- Insurance
- Impairment

A fee cannot be collected to attend classes.

Goals

The overall goal is to educate drivers and families from different cultural communities with the intent of reducing crashes, injuries and deaths by providing educational opportunities.

Grantee Responsibilities

1. Implement activities in the approved work plan.
2. Submit accurate and timely quarterly progress reports that show measurable outcomes to the OTS.
3. Submit accurate and timely quarterly financial status reports to the OTS.

Reporting Obligations

Progress Reports

A detailed narrative of measurable accomplishments and challenges encountered must be filed quarterly, on or before the third Monday of the month following the end of each quarter. Additionally, a detailed narrative of measurable accomplishments and challenges encountered for the entire grant year must be submitted on or before October 18, 2021.

Financial Obligations

As required by NHTSA funding, the OTS will reimburse a Grantee only after eligible costs are incurred and paid by the Grantee.

Invoices must be submitted on a quarterly basis on or before the third Monday of the month following the end of each quarter. Invoices must include documentation of grant-related time and expenses incurred during the quarter.

Eligible costs will be reimbursed only after appropriate documentation is provided, and the claim is approved by the OTS.

OTS will supply invoice and documentation formats to the successful respondent.

Project Costs

Budget Items may include:

- a. Project Coordinator Time; Salary & Fringe or Sub-Contractor; for the actual number of hours used to work on approved grant duties and activities only. For Salary & Fringe, only the employer's portion of FICA, insurance, and retirement benefits are eligible for reimbursement. Vacation, sick, or personal time off are not eligible costs. The OTS does not reimburse time for salaried staff with titles such as Director or Executive Director or for general administration, such as supervision of employees. Note: The OTS must pre-approve any sub-contract before it is legally binding (signed).
- b. Supplies & Materials; each item must be clearly identified in the grant application and must be reasonable and necessary for the approved grant activities.
- c. Printing & Postage; as necessary for the approved grant activities. Printed materials used for public outreach must be pre-approved by the OTS.
- d. In-State Travel; mileage and meals for the project coordinator to work on approved grant activities within the limits of the Commissioners Travel Plan.

- e. Other Expenses; costs must be itemized and clearly described in the grant application. Examples: classroom rental fee, audio visual rental fee.

Please note: The above items are examples only and do not reflect all potential allowable costs.
