MINNESOTA MOTORCYCLE SAFETY CENTER (MMSC) COURSE DESCRIPTIONS

MMSC has served Minnesota riders for 30 years with affordable, high-quality professional training and education. Instructors are Motorcycle Safety Foundation (MSF)-certified and dedicated to building and improving riding skills. The MMSC offers a wide variety of courses at 29 locations for riders of all skill and experience levels.

Basic Rider Course \$180

Learn how to ride, and earn your motorcycle license endorsement in this 14.5-hour course featuring 10 hours of on cycle training and 4.5 hours of classroom training. Supportive and friendly instructors will teach you how to operate a motorcycle and the basic skills you need to safely ride on the street. Training motorcycles are provided for riders of all sizes. If you're an automatic scooter rider you can bring your own scooter with proof of insurance if it's 500cc or less, 400 pounds or less, in good working order and registered as a motorcycle.

Intermediate Rider Course \$55

If you are comfortable on your own motorcycle or scooter, the 5-hour Intermediate Rider Course will build upon your existing skills and knowledge. Newer motorcyclists, returning riders and experienced motorcyclists can all benefit from this course. The Intermediate Rider Course covers control, finesse, counter steering, cornering, swerving and braking. Make the Intermediate Rider Course an annual tune up for your riding skills. Groups or clubs may purchase an entire Intermediate Rider Course for only \$300.

MN Advanced Rider Course \$75

If you want razor sharp hazard avoidance riding skills, try the 8-hour MN Advanced Rider Course where you'll hone the skills you need to avoid the dangers of the road, such as other drivers, deer and debris.

Being able to complete a 28-foot U-turn on your motorcycle is a requirement to take this course.

Groups or clubs may purchase an entire Advanced Rider Course for only \$500. This course is offered at the Brooklyn Park and Willmar training locations. Riders use their own motorcycles for this course.

MN Expert Rider Course \$75

If you've taken the Advanced Rider Course, your skills are sharper, you had a blast on your bike and you want more; you're ready

to move up to the 8-hour MN Expert Rider Course where you'll master those crucial skills needed to escape the perils of the road. Groups or clubs may purchase an entire Expert Rider Course for only \$500. This course is offered at the Brooklyn Park and Willmar training locations. Riders use their own motorcycles for this course.

3-Wheel Rider Course \$125

Newer and experienced 3-wheel operators can all benefit from this 4-hour course. This course is offered at the White Bear Lake training site. Riders use their own sidecar rig or trike and should be familiar with motorcycle controls, shifting and stopping.

Moped Rider Course \$35

The 4.5-hour classroom-only Moped Rider Course meets state requirements for a moped permit and is available at all MMSC training locations.

Introduction to Motorcycling \$55

This 4-hour course is for true novices who want hands-on instruction with motorcycle controls before taking the Basic Rider Course. This course is offered at the White Bear Lake training site.

Basic Motorcycle Maintenance \$65

Learn how to perform basic motorcycle maintenance in this 4-hour, hands-on class, and do it yourself. This course is offered at the Rosemount training site.

State Skill Test Waiver

If you are 18 or older and have a valid Minnesota driver's license and motorcycle instruction permit, the state skill test for your motorcycle endorsement will be waived if you successfully complete the Basic Rider Course (BRC). You must have a motorcycle instruction permit in possession when taking the BRC to receive your motorcycle endorsement. Successful completion means 100 percent attendance and passing the skills test. Riders under 18 are required to take the BRC before obtaining a motorcycle permit. Riders who have failed a state and/or MMSC skill test twice are not eligible for the State Skill Test Waiver.

Motorcycle Road Guard Certificate \$30

Earn your Motorcycle Road Guard certificate and learn to professionally control traffic for group rides. This course is available at regional training sites in Detroit Lakes, Duluth, Marshall, Rochester and Rosemount. Group training off-site is available for a \$250 fee. Road guard vests and signs are provided for class use.
