## Complete for Variance Request Pursuant to Minn. Stat. 299F.011, subd. 5, please explain in detail how your variance request meets each of the following statutory requirements. Be as complete and thorough as possible. Use additional sheets if necessary. Attach any documents that will support your position such as pictures, drawings, floor plans and contractor's estimates. The completeness of your information will assist the panel in evaluating the validity of your variance request. All sections must be completed. The property is substantially in compliance with the fire code (other than the variance issue):

The safety of the public and building occupants will not be jeopardized (public includes responding firefighters):
Undue hardship will result to the requesting party unless the variance is granted:

## **Application for Time Extension**

Complete for a	request for a tim	e extension to	complete fire	code orders

Please explain in detail how your request for a time extension meets each of the following criteria. Be as complete and thorough as possible. Use additional sheets if necessary. Attach any documents that will support your position such as pictures, drawings, floor plans and contractor's estimates. The completeness of your information will assist the panel in evaluating the validity of your request for a time extension.

All sections must be completed.

A good faith effort has been/is being made to correct all violations cited:				
The granting of a time extension is an acceptable risk for the property occupants:				
Undue hardship will result to the requesting party unless the time extension is granted:
