

Did you know?

Four out of five college fire fatalities happen in off-campus housing, according to Campus Firewatch.

The leading causes of campus fires include cooking, arson and careless smoking.

Campus fires are most common between 5 and 11 p.m. and on the weekends.

CAMPUS FIRE SAFETY

- Use flameless candles for decorations.
- Never ignore fire alarms. Get out and stay out when they sound.
- Have a fire escape plan that includes two ways out.
- Make sure your exits and exit paths are free of clutter; make sure windows/doors open easily.
- Always stay in the kitchen when cooking; never cook while tired or under the influence.
