

# Minnesota Department of Public Safety State Fire Marshal Division

## Hazmat: The First Hour

### What is it?

This training focuses on safety considerations related to the transportation of hazardous materials through your community and the response of State Emergency Response Teams. The State Fire Marshal Division encourages departments, mutual aid partners, and agencies with hazardous material facilities and transportation through their communities to schedule a training.

### Who is it for?

- Fire, police and sheriffs' departments.
- Emergency management agencies.
- Emergency medical services.
- City and county officials.

### Topics

- The basics of hazmat and scene safety.
- Placards and identification of hazardous materials.
- Who to call and how to request the State Emergency Response Teams.

### How much is it?

Free.

### When is it?

Dates and times are flexible based on your department or agency's needs.

### How long is it?

Two to three hours based on your department or agency's needs.

### Where is it?

Your department or agency.

### Schedule your training
