Under Minn. Stat. 13.41 the information you submit as part of your complaint may be classified as public, private or confidential data based upon the outcome of the complaint investigation and any legal proceedings. Public data is available to members of the public at any time and for any reason. Private data is available to you as the data subject, to those authorized access by law, court order, your consent or to the extent needed to be used to investigate the complaint. Confidential data is not available to anyone that does not have the need to know it to investigate the complaint unless as otherwise required or authorized by law. As a general matter complaint data will be confidential only while the investigation into it and any related legal proceedings are pending.

I understand I am not legally required to complete or return this form or provide the data I submit as part of this complaint. If I do not complete this form and provide the data I understand the Board may not have any basis to investigate the complaint and that if I do provide the data it will be used for that purpose and any other allowed by law. The data may be used to properly evaluate and investigate this complaint, and if necessary, submit this information in any civil, criminal or administrative legal proceeding. I authorize the Board, its agents and/or agents of the Attorney General's Office representing the Board to disclose this information to those whom they reasonably believe have a need to know including law enforcement and parties to any disciplinary or civil proceeding. I understand and consent to the fact this data may as required by law be obtained by the subject of the complaint and/or third parties or members of the public.

State the Specific Nature of Allegation and the Date(s) of alleged violation (i.e., Statute or Administrative Rule Violation, Criminal Offense, Etc.). Include any supporting documents or other records you believe supports your complaint. Attach additional pages if needed.
