Use of Data Collected by the POST Board on This Application Form

This application is used to assist the POST Board in determining your eligibility to be issued a peace officer license.

Application data on licensees is classified as public data under Minn. Stat. 13.41, subd. 5. That includes application data on licensees, license number, license status, and continuing education records.

While your licensure application, once you have been granted a license, is considered public data, certain information on that form is still classified as private data. That information is as follows:

1. Your social security number, which is protected by federal law and Minn. Stat. 13.355;
2. Your home address, which is classified as private data under Minn. Stat. 13.41, subd. 3; and
3. the name of the state agency, statewide system, or political subdivision that employs you as a licensed peace officer, which is classified as private data under Minn. Stat. 13.41, subd. 3.

That private data will not be released except to you, employees of the POST Board whose duties recently require access to that data, those authorized by state or federal law to have access to the data, or those to whom you provide written informed consent authorizing disclosure.

You are not legally required to provide any of the requested information; however, if you do not do so, we will be unable to process your application or determine your eligibility to be issued a peace officer license.
