

IN-SERVICE USE OF FORCE LEARNING OBJECTIVES FOR PEACE OFFICERS AND PART-TIME PEACE OFFICERS

INTRODUCTION

The following learning objectives have been developed to assist law enforcement agencies in providing use of force continuing education to officers. Pursuant to MN STAT 626.8452 this training must be provided to all peace officers and part-time peace officers annually and each officer is required to receive instruction relative only to weapons and equipment the officer is issued or authorized to use. The term annually has been defined by the POST Board to mean at least once per calendar year.

There are many formats for delivering continuing education. Agencies are encouraged to explore creative and co-operative means of providing this education. Each law enforcement agency must determine minimum competency levels appropriate for agency personnel and nothing in these objectives prohibits an agency from developing additional objectives, or setting higher standards. Agencies are also encouraged to submit suggestions for revisions to these objectives to the POST Board.
