Supervised Driving Log

Effective January 1, 2015, every driver under the age of 18 who completes behind the wheel instruction **and** is testing for a provisional driver's license must submit a driving log. Parents/guardians have ***two*** options regarding the supervised driving log:

- Complete a supplemental parent class provided by a driver education program approved in Minnesota, and then submit the supplemental parent class certificate with a supervised driving log showing their teen has completed at least **40 hours** (2,400 minutes) of supervised driving, **15** (900 minutes) **of which are nighttime hours**; *OR*
- If the parent/guardian chooses to not complete the supplemental parent class, the driving log must show that their teen has completed at least **50 hours** (3,000 minutes) of supervised driving, **15** (900 minutes) **of which are nighttime hours**.

Parents/guardians are encouraged to provide as many additional driving hours with their teen as possible to prepare them to become a safe driver. **The driving log must be presented at the time of the road test and submitted with the application for the provisional license.**

Attach additional sheets of this Supervised Driving Log template, as needed (logs completed on any other document will not be accepted).
