

MINNESOTA DEPARTMENT OF PUBLIC SAFETY HOMELAND SECURITY AND EMERGENCY MANAGEMENT

DISASTER ASSISTANCE FOR PUBLIC

In 2014 Governor Mark Dayton signed legislation establishing the state's Disaster Assistance Contingency Account to assist local communities after a natural disaster, even when federal aid is not available. The legislation also requires the state to cover the full FEMA match in federally declared disasters.

DAMAGE THRESHOLDS

The state and/or county must meet a certain damage threshold in order to qualify for state or federal disaster assistance.

Presidential Disaster Declaration

- State must have at least \$9.3 million in damage; and
- Counties must meet individual county threshold (County population x \$4.10)

State Disaster Declaration — New

- County incurred eligible damages that equal or exceed 50 percent of countywide per capita impact indicator

HOW DOES MY COUNTY APPLY FOR DISASTER ASSISTANCE?

<p>Presidential Disaster Declaration:</p>	<p>State Disaster Declaration: When the Governor approves state disaster assistance, the state will assist eligible applicants (counties, cities, townships) with costs to repair and replace public infrastructure damaged in the disaster.</p>
<p>STEP 1: If HSEM believes Minnesota may qualify for a Presidential disaster declaration, HSEM requests FEMA to conduct a preliminary damage assessment to make the determination.</p>	<p>STEP 1: County declares a local state of emergency and does an initial damage assessment.</p>
<p>STEP 2: If a Presidential Disaster Declaration is granted, assistance from FEMA's Public Assistance program would include:</p> <ul style="list-style-type: none"> — Debris Removal — Emergency Protective Services — Roads and Bridges — Water Control Facilities — Buildings and Equipment — Utilities — Parks, Recreational Facilities 	<p>STEP 2: County requests a preliminary damage assessment. HSEM officials meet with local officials to identify the cost of debris removal and emergency measures and to review the damage to public infrastructure. Damages must meet the following criteria:</p> <ul style="list-style-type: none"> — Damage and costs are the direct result of the disaster; — Federal assistance is not available; and — Applicant incurred eligible damages that meet the damage threshold.
<p>STEP 3: Applicants apply to HSEM for reimbursement of eligible costs. <i>Under legislation signed in 2014, the state will now provide 100 percent of the non-federal share when a presidential disaster declaration is made.</i></p>	<p>STEP 3: A county's board chair, elected official or designee submits a letter requesting state disaster assistance. <i>Applicants assume responsibility for 25 percent of total eligible costs.</i></p>
